About the Conference

This event is a special gathering of hearts and minds, hosted by “3P in Africa” in collaboration with the “Homa Bay Friendship Orphanage” and the “Impact Lion of Judah” Church.

What is 3P?

The Three Principles of Mind, Consciousness, and Thought were discovered by Sydney Banks and have helped transform thousands of lives worldwide—including countless communities across Africa.

🙏❤️ Support Our Cause

We kindly ask international participants to consider donating to support 3P projects in Africa, including meals for orphanages and other vulnerable communities.
